# HYCHEM

**“Planned approach to hygiene”**

**Zimbabwe (Pvt) Ltd**

HYCHEM Zimbabwe (Pvt) Ltd is a wholly owned Zimbabwean company that was registered in March 2017 and was formed to provide uniquely structured solutions to the pressing issues within the hygiene and cleaning sector, with its mission being the creation of sustainable value by focusing on the provision of world class consultancy, training, cleaning, supply and installation of HYCHEM products, equipment and services. HYCHEM Zimbabwe (Pvt) Ltd operates through Public Private Partnership (PPP) initiatives nationally and internationally. It is through such initiatives that HYCHEM Zimbabwe (Pvt) Ltd entered into an agent-ship agreement with HYCHEM South Africa. HYCHEM South Africa was incorporated in 1989 and offers a complete range of cleaning solutions, from the supply of chemicals, dispensing systems, accessories and training to the hospitality and food service industries. It also assists its customers to implement good hygiene practices within their kitchen, housekeeping and laundry departments. Under this partnership HYCHEM Zimbabwe (Pvt) Ltd became the sole and official distributor of all HYCHEM products in Zimbabwe.

“Planned approach to hygiene”

## Vision

To be an integral, respectable, and recognized hub within the global hygiene sector, harnessing an all-embracing durable protection, for a healthier, non-toxic and clean environment.

## Mission

To create sustainable value by focusing on the provision of world class consultancy, training, cleaning, supply and installation of HYCHEM products, equipment and services while making available environmental friendly solutions in the hygiene continuum through the implementation of highly efficient and cost effective approaches.

We network with related businesses in the hospitality, mining, food and beverages, chemicals, agriculture, healthcare and education sectors, leveraging on innovative capitalization structures and outcomes-driven programs management, operating primarily through Public Private Partnership (PPP) initiatives nationally and internationally.
